

Extension to Manufacturer's Warranty Plan Covered Components

What is covered?

Parts and Labour - Unlimited number of repairs on specified components.

Who can carry out the Servicing requirements?

Services can be carried out by any licensed mechanical workshop, anywhere in Australia (refer to warranty plan terms and conditions for service intervals)

Warranty Plans

- 12 months/30,000 kms
- 24 months/60,000 kms
- 36 months/90,000 kms
- 48 months/120,000 kms

What happens if I breakdown?

If in the unfortunate event that your vehicle breaks down, call the Warranty Administrators who will promptly assess your Warranty Claim. There are no claim forms!

Will the repairs cost me anything?

All Warranty Claims are paid direct to the Repairer so you won't have to wait to be reimbursed.

What if I am a long way from home?

Your Vehicle can be repaired at any licensed Mechanical Workshop that is authorised by the Warranty Administrators,

Covered Components
